FIVB Bonus Pool – Eligibility of Athletes

The Country Quota Play-Off matches, Qualification Tournament, and Main Draw are counting towards the minimum number of events to become eligible in accordance with the FIVB Bonus Pool Regulations. If for any reason whatsoever an athlete is declared non-eligible (i.e. disqualification, breach of athlete's commitment terms, etc.) the FIVB Bonus Pool will be retained by the FIVB and no further reallocation of the FIVB Bonus Pool will be foreseen.

In 2012, the FIVB shall pay the Bonus Pool in their full amounts to the eligible athletes who will play in all 2012 tournaments minus 4 events of the 2012 SWATCH FIVB events as follows:

- Mandatory registration and mandatory participation for the eligible teams to the World Championship (in the year of the World Championship).
- Participation to the majority of the Grand Slam events.
- Participation to all remaining events (Open and/or Grand Slam) to reach the minimum events participation requirements.

Eligible players missing the World Championship, majority of the Grand Slam and the Open events not reaching the minimum events participation requirement lose all Bonus Pool unless the athlete already entered in the provisional and confirmed list requests an exception proving with medical certificate his or her injury. In this latter case, the injured player can only miss two events (resulting in total 4 + 2 events due to the injury) during the entire season. For such a case of "force majeure" a medical certificate must be sent to the FIVB by the corresponding National Federation. A player through the National Federation must declare 15 days after the event concerned his/her injury to the FIVB and send to the FIVB the appropriate Medical Certificate.

PRIZE MONEY AND BONUS POOL

Upon declaration, an approximate time frame must be stipulated in order to determine the 2 events he/she will miss. Late requests which are sent to the FIVB after 15 days from the date of the injury will not be taken into consideration by the FIVB. In the situation where the playing partner is affected, the FIVB will make a decision on a case by case basis for his/her eligibility for Bonus Pool. Moreover, an athlete can be eligible for his/her Bonus Pool in case he/she enter in the event but she/he will not have enough entry points to enter in certain World Tour events due to the limitation of the maximum number of teams participation featured in the event's regulations, but the team was physically present at a Preliminary Enquiry and/or Technical Meeting of the respective tournament. Any eventual claims of payment(s) must be sent to the Beach Volleyball Department (beach@fivb.org) and the Finance Department (finance.beach@fivb.org).

Extra Bonus Pool

A further fidelity program, called Extra Bonus Pool, has been created for those players participating at the of World Tour events as follows:

PARTICIPATION	BONUS POOL
Total Nr. of Events - (minus) 4 withdrawals - (minus) 2 withdrawals + medical certificates	100%
Total Nr. of Events - (minus) 4 withdrawals	110%
Total Nr. of Events - (minus) 2 withdrawals	120%
