<p><b>FORFEIT &amp; SANCTIONS</b></p>	<ul style="list-style-type: none"> <li>- If a team withdraws due to an injury before or during a match or gets disqualified during a match it will earn 1 match point and will keep the sets and points earned up to that moment, but the sets and points against will be the maximum. For example, if a team wins the first set 21:19 and is injured and forfeits the match when they are losing the second set 4:6, this injured team would earn 1 match point with sets of 1:2 and rally points of 21:19, 4:21 and 0:15. In this example, the winning team would get 2 match points with sets of 2:1 and rally points of 19:21, 6:4, 0:0. In addition, its match result will be marked with "INJ/DSQ".</li> <li>- If the injury occurs before the match begins, the match will be marked "INJ/DSQ" and the losing team will be awarded 1 match point with sets of 0:2 and rally points of 0:21, 0:21. In this case, the winning team will be awarded 2 match points with sets of 2:0 and rally points of 0:0, 0:0.</li> <li>- If a team withdraws without a valid reason before a match (e.g. no show) they will lose by forfeit 0-2 (0:21, 0:21) and will earn 0 match points. In addition, this match result will be marked with "DSQ". The winning team will receive 2 match points with sets of 2:0 and rally points of 0:0, 0:0.</li> <li>- In the case of an athlete requesting a medical injury time-out or forfeiting a match due to injury, immediately following the relevant score sheet administration, he/she will be given a copy of the BVB-49 form by the match Referee (the exception to this rule being the use of medical injury time-out due to blood injury). Upon receipt, the athlete will then be responsible for filling in the reasons for the medical injury time-out request or the forfeit of the match and must then sign it and present him/herself along with the form at the tournament's medical office. After going through a check by the official medical doctor, the athlete will then be responsible for giving the form, duly signed by the official medical doctor, to the FIVB Technical Supervisor who shall assess the situation (if needed together with the event's Organizing Committee, the official medical doctor and the FIVB Medical Delegate, if present), and make a copy of the form to be attached to the Technical Supervisor report together with the relevant match score sheet. The athlete will receive the original BVB-49 form for submission to their medical doctor(s) who will then be responsible for clearing the athlete by confirming that he/she is in good health and can participate without putting his/ her own health at risk. The athlete must then present the form duly completed to the FIVB Technical Supervisor before he/she plays their next match either in the same tournament or at the Technical Meeting for the next event he/she wishes to participate in. In the case that the medical doctor(s) for the team concerned is not available, the athlete must get the written approval of the tournament's official medical doctor or the FIVB Medical Delegate, if present.</li> <li>- A maximum of two medical injury time-outs per athlete within a 12-month period are allowed. Extra medical injury time-outs will be sanctioned according to the following monetary fee scale: <ul style="list-style-type: none"> <li>o USD 1,000 for 3rd injury time-out within a rolling 12-month period;</li> <li>o USD 2,000 for 4th injury time-out within a rolling 12-month period;</li> <li>o USD 3,000 for 5 or more injury time-outs within a rolling 12-month period.</li> </ul> </li> <li>- The FIVB is entitled to deduct the sanction from the payment of the Prize Money.</li> <li>-</li> </ul>
<p><b>PRELIMINARY INQUIRY AND TECHNICAL MEETING</b></p>	<p>All Athletes must attend the <b>mandatory</b> Preliminary Inquiry and Technical Meeting. If required, a drawing of lots will be carried out during the meeting to break any eventual ties in the seeding. Athletes may be requested to provide their ID card or passport during the Technical Meeting.</p>
<p><b>UNIFORMS AND ACCESSORIES</b></p>	<p>If required by the FIVB Technical Supervisor, uniforms and accessories will be checked during the Preliminary Inquiry. In case of a tie; <ul style="list-style-type: none"> <li>• in Athlete Entry Points/ Seeding Points of two or more teams, sum of the Individual Technical Ranking is used to break the tie;</li> <li>• if the tie still persists, the drawing of lots is executed to break the tie.</li> </ul> </li> <li>- Wild Cards maintain their natural seeding;</li> <li>- The eight (8) teams that qualify for the Main Draw Tournament will be seeded as per their Seeding Points on the date of the Technical Meeting;</li> <li>- If a Host Country team is ranked within the first eight (8) teams, then it would receive seed #1 (Pool A) and the 2nd host country team will be seeded as per its Seeding Points; otherwise the Host Country teams are seeded in seed #8 (Pool H) and the rest of the teams by their Seeding Points;</li> <li>- Any additional Host Country team(s) must never be placed in the same pool. The 3rd, 4th Host Country team has their seed reduced until they are in a different pool than the other Host Country teams. **WITHDRAWALS AND SANCTIONS**

**Confirmed NF Entry List (-21 days up to – 7 days before the event)**

- Once the Confirmed NF Entry List is issued by the FIVB, the participating NFs may:
- Submit a withdrawal, disband or 'change of athlete' request to the FIVB through the BVB/03 form without a supporting Medical Certificate. If the withdrawal, disband or 'change of athlete' request is for an athlete/ team in the Main Draw tournament, and in case the sum of the new team's individual Athlete Entry points is not sufficient to maintain their Main Draw position, the team shall be placed in the Qualification Tournament.
- If the withdrawal, disband or 'change of athlete' request is for an athlete/ team in the Qualification tournament, the team is allowed to retain its spot in the Qualification Tournament. However, if the team has enough Athlete Entry points to enter Main Draw, it will be placed as a top team in the Qualification Tournament.
- If a withdrawal (s) causes a Country Quota Playoff team to move into the Main Draw tournament, depending on the NF available places in the tournament, Country Quota Playoff may be cancelled.
- An NF cannot withdraw an athlete or a team entered in a Qualification Tournament or Main Draw Tournament (supported or not by a valid Medical Certificate) from an FIVB beach volleyball event to participate in another beach volleyball tournament/activity scheduled at the same time.
- Reserve teams are added to the Confirmed NF Entry List and are constantly updated until the Preliminary Inquiry of the Qualification Tournament (where applicable) or Main Draw Tournament of an FIVB beach volleyball event. Reserve Teams must register and be present at the Preliminary Inquiry and the Technical Meeting of the Qualification Tournament (if applicable) or Main Draw Tournament of the FIVB beach volleyball event to be considered for the inclusion in the tournament, due to late withdrawals or no shows.
- The FIVB website will be updated after every withdrawal and substitution of players approved by the FIVB after the confirmed list has been issued. In case of a withdrawal of a team, its position in the tournament will be maintained and another team of the same country (if any are in the Reserve List) will then replace the withdrawn team (the new team is placed in either the Main Draw or the Qualification Tournament based on the sum of their individual Entry points). In case there is no replacement team from the same country in the Reserve List, the next team in the NF ranking will be eligible to enter in the Qualification Tournament unless a Main Draw team is replaced and the sum of the individual Entry points of the replacement team from the Reserve List is greater than the top team in the Qualification Tournament eligible to move up to the Main Draw (not prevented by Country Quota) in which case the replacement team will enter the Main Draw.

**After -7 days and up to Friday before the event**

After -7 days and up to Friday (3PM Swiss time, GMT1+) before an FIVB beach volleyball event, the participating NFs may:

- In case of an injury, submit a 'change of athlete' request to the FIVB through the BVB/03 form only if supported by a valid Medical Certificate and a proof of an issued airplane ticket by a IATA recognized airline company.
- If the withdrawal, disband or 'change of athlete' request is for an athlete/ team in the Main Draw tournament, and in case the sum of the new team's individual Athlete Entry points is not sufficient to maintain their Main Draw position, the team shall be placed in the Qualification Tournament.
- If the withdrawal, disband or 'change of athlete' request is for an athlete/ team in the Qualification tournament, the team is allowed to retain its spot in the Qualification Tournament. However, if the team has enough Athlete Entry points to enter Main Draw, it will be placed as a top team in the Qualification Tournament. In case an NF has qualified only one place to the tournament and if a withdrawal (s) opens up a place in the Main Draw for a Country Quota Playoff team with sufficient Athlete Entry points, the Country Quota Playoff would be held among all the Country Quota Playoff teams of that NF to qualify the team entering the Main Draw tournament.
- Failure to comply with the above requirements and deadline for the withdrawals/disbands or 'change of athlete' after -7 days before the tournament shall result in applied fines to the athlete(s) concerned:

<b>Team in Qualification Tournament</b>	USD 250
<b>Team in Main Draw Tournament</b>	USD 1,500

- Reserve teams picked up in case of withdrawals after Friday before the event shall not be subject to the above fines.

- Any applied fine is payable to the FIVB before the next participation in an FIVB beach volleyball event or before the Technical Meeting of the next FIVB beach volleyball event directly to the FIVB Technical Supervisor, at the latest. An athlete/team may be prevented from participating in case of outstanding fines.
- In case of withdrawal(s) of team(s), in the Qualification Tournament, the next eligible team(s) in the Reserve in the Confirmed NF Entry List shall be picked up. In case there are no eligible Reserve teams physically present at the Preliminary Inquiry and the Technical Meeting of the Qualification Tournament, Reserve teams may be picked up to fill the roster regardless the country quota regulations.

A "Lucky Loser" Draw procedure is implemented by the FIVB Technical Supervisor. The FIVB Technical Supervisor must draw between the two highest seeded teams among the eligible "Lucky Losers". For each additional available spot from the Qualification Tournament to the Main Draw Tournament, the next highest seeded team must be drawn against the loser of the previous draw. This procedure continues until all additional open spots are filled.
- The Qualification and Main Draw Tournaments are deemed to have started once the seeding has been confirmed and no further changes are allowed.

<b>NO SHOW</b>	If an athlete fails to attend the Preliminary Inquiry and to notify the FIVB or the Organizers in advance, that athlete's team is eliminated from the tournament and a fine of USD 500 (Qualification Tournament) or USD 3,000 (Main Draw Tournament) is imposed on him/ her, unless the FIVB accepts to the reason as "force majeure". The athlete has to prove the circumstances constituting the "force majeure".
