<p>FORFEIT &SANCTIONS</p>	<ul style="list-style-type: none"> - If a team withdraws due to an injury before or during a match or gets disqualified during a match it will earn 1 match point and will keep the sets and points earned up to that moment, but the sets and points against will be the maximum. For example, if a team wins the first set 21:19 and is injured and forfeits the match when they are winning the second set 6:4, this injured team would earn 1 match point with sets of 1:2 and rally points of 21:19, 6:21 and 0:15. In this example, the winning team would get 2 match points with sets of 2:1 and rally points of 19:21, 4:6, 0:0. In addition, its match result will be marked with "INJ/DSQ". - If the injury occurs before the match begins, the match will be marked "INJ/DSQ" and the losing team will be awarded 1 match point with sets of 0:2 and rally points of 0:21, 0:21. In this case, the winning team will be awarded 2 match points with sets of 2:0 and rally points of 0:0, 0:0. - If a team withdraws without a valid reason before a match (e.g. no show) or during a match they will lose by forfeit 0-2 (0:21, 0:21) and will earn 0 match points. In addition, this match result will be marked with "DSQ". The winning team will receive 2 match points with sets of 2:0 and rally points of 0:0, 0:0. - In the case of an athlete requesting a medical injury time-out or forfeiting a match due to injury, immediately following the relevant score sheet administration, he/she will be given a copy of the BVB-49 form by the match Referee (the exception to this rule being the use of medical injury time-out due to blood injury). Upon receipt, the athlete will then be responsible for filling in the reasons for the medical injury time-out request or the forfeit of the match and must then sign it and present him/herself along with the form at the tournament's medical office. After going through a check by the official medical doctor, the athlete will then be responsible for giving the form, duly signed by the official medical doctor, to the FIVB Technical Supervisor who shall assess the situation (if needed together with the event's Organizing Committee, the official medical doctor and the FIVB Medical Delegate, if present), and make a copy of the form to be attached to the Technical Supervisor report together with the relevant match score sheet. The athlete will receive the original BVB-49 form for submission to their medical doctor(s) who will then be responsible for clearing the athlete by confirming that he/she is in good health and can participate without putting his/ her own health at risk. The athlete must then present the form duly completed to the FIVB Technical Supervisor before he/she plays their next match either in the same tournament or at the Preliminary Inquiry for the next event he/she wishes to participate in. In the case that the medical doctor(s) for the team concerned is not available, the athlete must get the written approval of the tournament's official medical doctor or the FIVB Medical Delegate, if present. - A maximum of two medical injury time-outs per athlete within a 12-month period are allowed. Once the Confirmed NF Entry List is issued by the FIVB, the participating NFs may:

- Submit a withdrawal, disband or 'change of athlete' request to the FIVB through the BVB/03 form without a supporting Medical Certificate. If the withdrawal, disband or 'change of athlete' request is for an athlete/ team in the Main Draw tournament, and in case the sum of the new team's individual Athlete Entry points is not sufficient to maintain their Main Draw position, the team shall be placed in the Qualification Tournament.
- If the withdrawal, disband or 'change of athlete' request is for an athlete/ team in the Qualification tournament, the team is allowed to retain its spot in the Qualification Tournament. However, if the team has enough Athlete Entry points to enter Main Draw, it will be placed as a top team in the Qualification Tournament.
- If a withdrawal (s) causes a Country Quota Playoff team to move into the Main Draw tournament, depending on the NF available places in the tournament, Country Quota Playoff may be cancelled.
- Not withdraw an athlete or a team entered in a Qualification Tournament or Main Draw Tournament (supported or not by a valid Medical Certificate) from an FIVB beach volleyball event to participate in another beach volleyball tournament/activity scheduled at the same time.
- Reserve teams are added to the Confirmed NF Entry List and are constantly updated until the Preliminary Inquiry of the Qualification Tournament (where applicable) or Main Draw Tournament of an FIVB beach volleyball event. Reserve Teams must register and be present at the Preliminary Inquiry of the Qualification Tournament (if applicable) or Main Draw Tournament of the FIVB beach volleyball event to be considered for the inclusion in the tournament, due to late withdrawals or no shows.
- The FIVB website will be updated after every withdrawal and substitution of players approved by the FIVB after the confirmed list has been issued. In case of a withdrawal of a team, its position in the tournament will be maintained and another team of the same country (if any are in the Reserve List) will then replace the withdrawn team (the new team is placed in either the Main Draw or the Qualification Tournament based on the sum of their individual Entry points). In case there is no replacement team from the same country in the Reserve List, the next team in the NF ranking will be eligible to enter in the Qualification Tournament unless a Main Draw team is replaced and the sum of the individual Entry points of the replacement team from the Reserve List is greater than the top team in the Qualification Tournament eligible to move up to the Main Draw (not prevented by Country Quota) in which case the replacement team will enter the Main Draw.

After Monday 6:00 PM Swiss time of the week before and up to Thursday 12:00 AM (midnight, Swiss Time) of the week before the event

After Monday 6:00 PM (Swiss time) of the week before and up to Thursday 12:00 AM (midnight, Swiss time) of the week before the tournament, the participating NFs may:

- Submit a withdrawal, disband and 'change of athlete' request to the FIVB through the BVB-03 form. However, the following fines will be applied to the athlete/team concerned regardless of the reason:

Team in Qualification Tournament	USD 500 per athlete
Team in Main Draw Tournament	USD 1,000 per athlete

- If the withdrawal, disband or 'change of athlete' request is for an athlete/ team in the Main Draw tournament, and in case the sum of the new team's individual Athlete Entry points is not sufficient to maintain their Main Draw position, the team shall be placed in the Qualification Tournament.
- If the withdrawal, disband or 'change of athlete' request is for an athlete/ team in the Qualification tournament, the team is allowed to retain its spot in the Qualification Tournament. However, if the team has enough Athlete Entry points to enter Main Draw, it will be placed as a top team in the Qualification Tournament. In case an NF has qualified only one place to the tournament and if a withdrawal (s) opens up a place in the Main Draw for a Country Quota Playoff team with sufficient Athlete Entry points, the Country Quota Playoff would be held among all the Country Quota Playoff teams of that NF to qualify the team entering the Main Draw tournament.
- Reserve teams picked up in case of withdrawals after Monday 6:00 PM (Swiss timing) of the week before the tournament shall not be subject to the above fines.

Last Minute Withdrawals

After the Thursday 12:00 AM (midnight, Swiss time) of the week before an FIVB Beach Volleyball World Tour event (Grand Slam, Major Series or Open) until the start of the Preliminary Inquiry of a Country Quota Playoff (where applicable), Qualification Tournament (where applicable) or a Main Draw Tournament of the FIVB beach volleyball event, the participating NFs may:
 Submit a withdrawal, disband or 'change of athlete' request to the FIVB Technical Supervisor assigned to the FIVB beach volleyball event through the BVB-03 form for a team/athlete with a copy to FIVB Beach Volleyball Department.

- If the withdrawal, disband or 'change of athlete' request is for an athlete/team in the Main Draw tournament, and in case the sum of the new teams' individual Athlete Entry Points is not sufficient to maintain their Main Draw position, the team shall be placed in the Qualification tournament.
- For the withdrawal, disband or 'change of athlete' request received after the Thursday 12:00 AM (midnight, Swiss time) of the week before the tournament, the following fines will apply to the athlete/team concerned:

Team in Qualification Tournament	USD 1,000 per athlete
Team in Main Draw Tournament	USD 3,000 per athlete

- Reserve teams picked up in case of withdrawals after Thursday 12:00 AM (midnight, Swiss time) before the event shall not be subject to the above fines.
- In addition to the above fines, the last minute withdrawals/disbands or 'change of athlete' shall result in the event being counted as zero (0) points for the Athlete Entry point calculations among the best six (6) of last eight (8) results considered for entry and seeding purposes at the FIVB beach volleyball tournaments.
- Any applied fine is payable to the FIVB before the next participation in an FIVB beach volleyball event or before the Preliminary Inquiry of the next FIVB beach volleyball event directly to the FIVB Technical Supervisor, at the latest. An athlete/team may be prevented from participating in case of outstanding fines.
- In case of withdrawal(s) of team(s), in the Qualification Tournament, the next eligible team(s) in the Reserve in the Confirmed NF Entry List shall be picked up. In case there are no eligible Reserve teams physically present at the Preliminary Inquiry of the Qualification Tournament, Reserve teams may be picked up to fill the roster regardless the country quota regulations.
- In case of withdrawal(s) of team(s) in the Qualification Tournament and no eligible teams in the Reserve, the Country Quota Playoff teams that did not qualify to the Tournament shall be eligible to be picked up to fill the roster.
- In case of withdrawal(s) of team(s) in the Qualification Tournament, no eligible teams in the Reserve and no Country Quota Playoff teams that did not qualify to the Tournament, the 2 Host NF teams in the reserve list of the tournament will be entered upon agreement between the Promoter and the Technical Supervisor.
- In case of withdrawal(s) of team(s) in the Main Draw Tournament after the start of the Qualification Tournament, extra team(s) shall qualify to the Main Draw Tournament from the Qualification Tournament under the Lucky Loser draw regulations. The extra team(s) with the highest seed in the Qualification Tournament among the teams failing to qualify to the Main Draw Tournament by losing the last round of the Qualification Tournament, provided they attend the Preliminary Inquiry of the Main Draw Tournament, shall qualify to the "Lucky Loser" Draw. A "Lucky Loser" Draw procedure is implemented by the FIVB Technical Supervisor. The FIVB Technical Supervisor must draw between the two highest seeded teams among the eligible "Lucky Losers". For each additional available spot from the Qualification Tournament to the Main Draw Tournament, the next highest seeded team must be drawn against the loser of the previous draw. This procedure continues until all additional open spots are filled.
- The Qualification and Main Draw Tournaments are deemed to have started once the seeding has been confirmed and no further changes are allowed.

NO SHOW
 If an athlete fails to attend the Preliminary Inquiry and to notify the FIVB or the Organizers in advance, that athlete's team is eliminated from the tournament and a fine of USD 1,000 (Qualification Tournament) or USD 3,000 (Main Draw Tournament) is imposed on him/ her, unless the FIVB accepts to the reason as "force majeure". The athlete has to prove the circumstances constituting the "force majeure".
 In addition to the above fines, No-Show teams without an approved Force Majeure shall have the event count as zero (0) points for the Athlete Entry point calculations among the best six (6) of last eight (8) results considered for entry and seeding purposes at the FIVB beach volleyball tournaments.

 In the event that an athlete arrives late to the Preliminary Inquiry, as confirmed by the FIVB Technical Supervisor, a fine of USD 150 (Qualification Tournament) or USD 250 (Main Draw Tournament) may be imposed on him/her, depending on the reasons for the delay.
