

FIVB BEACH VOLLEYBALL U21 WORLD CHAMPIONSHIPS 2019

UDONTHANI CITY, (THAILAND), 18-23 JUNE 2019

QUALIFICATION PROCESS – CONTINENTAL CONFEDERATIONS

1. It is mandatory for the Continental Confederations to sanction Continental Age Group events (Under 21 Continental Championships or Under 21 Continental Tour, etc.) to select the teams participating in an FIVB Age Group World Championship.
2. The Continental Confederations will be required to select the best ranked teams from the continents, based on the ranking of the above-mentioned Continental Age Group events.
3. In case a Continental Confederation does not have sufficient time to organize above-mentioned Continental events in 2019, it can use the ranking of the events organized in the 2018 season. Should a Continental Confederation not have a ranking of the 2018 season, it may follow the FIVB criteria selection (points A to D – see below).

The FIVB is entitled to request at any time from the Continental Confederations the exact criteria applied to select their respective teams under their quota and to request the results of their events leading towards the selection of the teams.

Therefore, teams will be selected to play in the events in priority as follows:

1. **Based on (any eventual) Under 21 Continental Championships (or Under 21 Continental Tour) event ranking issued before the FIVB Beach Volleyball Under 21 World Championships 2019;**
(If point 1 above cannot be applicable)
2. **In case the Continental Confederation does not use the entire quota of 5 teams per gender in the main Draw and 4 teams in the qualification) the FIVB may fill the roster of the event through reserve teams (in priority from the top to the bottom) or host countries reserve teams:**
 - A. National Federation hosting 2019 FIVB Beach Volleyball World Championships and FIVB Beach Volleyball World Tour events in 2018/2019 season (in priority 5 STARS, 4 STARS, 3 STARS, 2 STARS and 1 STARS);
