9	ENTRY INTO FORCE	33
----------	-------------------------------	-----------

Article 1

National Federations (NFs)

The NFs are established and affiliated according to Article 2.2 of the Constitution.

1.1 FIVB-NFS UNITY

- The NFs founded the FIVB as a worldwide organisation, pursuing common goals. The FIVB mission statement is unique and devoid of any discriminatory attitude, cultural prejudice and individual or group interests.
- In order to foster the image of such unity worldwide, the FIVB is obliged to prevent the development of attitudes or visions advocating regional attachments against the general interest of Volleyball.

1.2 INSTITUTIONAL RELATIONSHIP

- As decided by the NFs, the FIVB is not a sum of individual NFs, but the expression of a democratic relationship and understanding between the FIVB governing and supporting institutions.
- To preserve institutional relationships and understanding, the FIVB and its NFs have decided to reject any attitude, tendency or policy going against its democratic principles.

1.3 PROCEDURE OF AFFILIATION

- 1.3.1 Application form. An NF desiring to be affiliated submits a written application, signed by its President and Secretary and forwards it in triplicate to the FIVB Secretariat.
- 1.3.2 The application for affiliation must clearly state:
- a) the complete name in full and abbreviated, and the postal address of the applicant Federation together with the e-mail address, telephone, and fax numbers when available;
 - b) the commitment to comply with the FIVB Constitution, Regulations, rules and decisions;
 - c) the commitment to observe the Volleyball Rules of the Game adopted by the FIVB;
 - d) the commitment to include in its own Constitution the obligations set out in FIVB Constitution, these Regulations and those relating to players' eligibility;
 - e) the commitment to pay the annual fee and to comply with sanctions, according to the FIVB Constitution, Regulations, rules and decisions;
 - f) the commitment to defray the travel and living expenses of any of its delegates or members elected or appointed as officials of the FIVB; and
 - g) the number of clubs and players affiliated to the NF.

- 1.3.3 Every affiliated and applicant Federation shall include in its own Constitution, the following provisions:
- a) “the Federation is legally constituted and recognised by the official sports authorities of its country or territory as the sole entity competent to administer and govern Volleyball at the national level”; and
 - b) “by virtue of its legal powers, the Federation declares that the FIVB Constitution, Regulations, rules and decisions are considered as part of its own Constitution and they are to be compulsorily respected by the Federation, by all its members and by third parties involved in Volleyball matters except if otherwise authorised by the FIVB”.

The non-inclusion of the provisions mentioned above in the Constitution of an affiliated NF, does not preclude its binding nature. Any controversy arising from the non-inclusion of the provisions mentioned above may lead to sanctions being imposed on the concerned affiliated NF.

- 1.3.4 The application for affiliation shall be accompanied by:
- a) the text of the applicant Federation’s own Constitution;
 - b) a certificate from the National Olympic Committee (NOC) recognised by the International Olympic Committee (IOC), or as the case may be, the National Sports Organisation which comprises the NFs governing the various sports disciplines, stating that the applicant Federation is recognised as the highest Volleyball authority in its country or territory;
 - c) the list of the Executive Committee members, the name and address of the person entrusted with official correspondence with the FIVB and other affiliated Federations; and
 - d) proof of payment of the first annual fee to the respective Confederation.

1.4 PROCEDURE OF RESIGNATION

- 1.4.1 Any affiliated NF may resign in accordance with its own Constitution.
- 1.4.2 Any such NF advises the Board of Administration by a first registered letter, confirmed three (3) months later by another registered letter.
- 1.4.3 The Board of Administration may reject the resignation of an NF if its obligations, especially financial, towards the various FIVB institutions or other affiliated Federations are not fulfilled.
- 1.4.4 The rights and obligations of the resigning Federation cease when the decision becomes effective.

- 1.4.5 The resigning Federation shall have no claim on the assets of the FIVB, its officials, institutions and affiliated Federations.
- 1.4.6 The affiliation to another Volleyball organization not recognized by the FIVB or the granting of a "Power of Attorney" with the purpose of bringing legal action not provided in the FIVB Constitution or Regulations against the FIVB, its Confederations and/or National Federations is considered a "de facto" resignation from any position or capacity within the FIVB. The FIVB may set a final deadline for the person/entity to retract its action(s), failing which the Board of Administration (or the Congress, where applicable) may impose sanctions for an institutional offence in accordance with the Disciplinary Regulations.

1.5 COMMITMENTS OF AN NF

- 1.5.1 The NFs affiliated to the FIVB, in the context of their activities, responsibilities and prerogatives in connection with the practice of Volleyball, are obliged at all times, and without restriction, to respect and apply the rules, decisions and sports practices established for the world sports structures recognised by the IOC, and in particular those fixed by the FIVB Constitution, Regulations, rules and decisions. An NF not complying with the FIVB Constitution shall lose all its rights and will be suspended.
- 1.5.2 Without affecting the general implication of Article 1.5.1 above, the NFs must apply "mutatis mutandis" all the provisions of the FIVB Constitution and Regulations when electing their officials.
- 1.5.3 Should the FIVB be of the opinion that the legal and administrative requirements of the FIVB have not been respected by an NF during an election or when taking or rendering a decision, the FIVB may not recognise such election or decision.
- 1.5.4 The NFs and their officials shall, at all times, be respected representatives of the Volleyball family and have a conduct which shall not be prejudicial to the image of the FIVB.
- 1.5.5 The FIVB affiliated NFs are obliged to participate in the FIVB World Congress. Those NFs which will not be present or represented at a World Congress will not receive any technical or financial support from the FIVB for the next two-year period. They will regain FIVB support by attending the following Congress.
- 1.5.6 Each NF taking part in international competitions must have, in close cooperation with the national authorities concerned, an out-of-competition anti-doping testing programme in accordance with the

World Anti-Doping Code published by WADA (World Anti-Doping Agency).

- 1.5.7 The FIVB and the NFs must implement the following principles:
- a) to concentrate efforts on highly competitive Volleyball for spectators;
 - b) to create, promote and sell top Volleyball events and strongly support countries and clubs or zonal associations which are working hard to reach a higher competitive level;
 - c) to measure the success of national and international Volleyball events in terms of spectators, sponsors, television broadcasting and news people attending; and
 - d) to measure organisational, administrative and management qualifications and capabilities only by results, and not in relation to political, personal or financial considerations.

- 1.5.8 The NFs are obliged to register with the FIVB any National League operating in the country. Such Leagues shall receive FIVB recognition under its regulations, including the transfer regulations. NFs must establish fair play and fair competition terms when regulating and promoting Volleyball competitions in their country in order to ensure that teams and players receive equal treatment.

- a) The receiving NFs are obliged to register in FIVB, through an FIVB International Transfer Certificate all foreign players participating in their National Leagues subject to the provisions of the FIVB Sports-, Financial- and Disciplinary Regulations.
- b) The NFs of origin must remit the FIVB International Transfer Certificate and ensure that the receiving NF submits it to the FIVB for the registration of their foreign players participating in their National Leagues and that it complies with the FIVB Regulations, and is duly completed.
- c) Subject to sanctions for a major offense by the FIVB in accordance with the FIVB Disciplinary Regulations, the receiving NFs shall be responsible for the respect of all technical conditions (e.g. period of transfer, release for national team etc.) established in the International Transfer Certificate and must ensure, under their responsibility, that the receiving club that engages a foreign player, complies with all the Terms and Conditions established in the FIVB International Transfer Certificate.

1.6 CHANGES OF EXECUTIVES IN NFS

- 1.6.1 A NF should elect its President and Executive officers for at least a four-year (4) term of office.

- 1.6.2 In order to maintain its active status, an NF elective General Assembly must be chaired by its President. The minutes of the Assembly including the list of elected officials, together with the list of delegates and an official copy of the “call for elections” shall be transmitted to the FIVB no later than thirty (30) days after the Assembly is held. The minutes must be co-signed by the outgoing and newly elected President. If the outgoing President has resigned, the letter of his resignation should be included in the minutes.
- 1.6.3 In case of doubt, the FIVB may request explanations or make enquiries before granting recognition. Should the outgoing President fail to sign the minutes, then evidence of the request made to him for his signature in due time and form must be included.
- 1.6.4 The current President or Executive Committee members of a NF may not be dismissed by an authority other than the NF itself. In the event that this occurs, the FIVB may not recognise the new officials elected or appointed to the NF and may suspend the NF until the situation is resolved in a manner prescribed by the FIVB.
