- C-R8 COURSE REPORT
1. GENERAL PRINCIPLES

1.1 International Refereeing Candidate Courses (IRCC), Continental Courses, National Courses, and Refresher Courses can only be organised by a National Federation, a Development Centre, a Continental Confederation or the FIVB.

The FIVB sponsors each year one refereeing course with international participation, per Development Centre.

Courses held by NFs/Confederations are staged under the exclusive financial responsibility of the organisers.

1.2 Courses that do not conform to these Regulations are not granted official FIVB recognition.

1.3 Refresher Courses (see Section 5) do not qualify referees but can be organised either at national or international level.

2. INTERNATIONAL REFEREEING CANDIDATE COURSES

2.1 CONDITIONS FOR FIVB RECOGNITION

Only under the direction and approval of the FIVB Refereeing Commission can International Refereeing Candidate Courses be organised by National Federations affiliated to the FIVB, Development Centres and Continental Confederations, provided the procedure is duly followed.

If a course does not provide the full duration, standard or programme, if 6 countries at least do not take part, or if no examination is held, participants will not receive an attestation and the course will not be validated by the Refereeing Commission.

2.2 APPLICATION

The NF, Development Centre or Confederation wishing to organise candidate courses must apply in writing by November 30th of each year, to the FIVB Sports Development Department or/and Volleyball Events Department, by using the standard forms C-R1 and C-R2. These can be copied from the current Regulations. The organiser should mention in the application form the maximum number of participants which take part in the Course.
2.3 PARTICIPANTS

a) Entry conditions:

Participants should have passed successfully the continental pre-course, the FIVB on-line and E-learning courses. Confederations to inform FIVB about the result of the pre-course and confirm its support for the application to register the candidate.

Participants should have been registered by the FIVB at least 3 times out of the last 5 years. National Federations are responsible for checking their registration with the FIVB. In case of doubt the FIVB can be consulted. In case of clashes between participants’ applications from two or more countries within the deadline: the priority goes to a country which does not exceed its referee quota or has a low percentage of a referee quota to be filled. FIVB Sports Development shall decide this issue.

To be granted official recognition, a minimum of 10 referees must participate in the course and maximum 15.

Each invited National Federation may designate a maximum of 2 National Referees; the organising National Federation may appoint 3 Candidates. An additional candidate from each participating country or organiser may be accepted, if a female referee is one of the proposed candidates.

Candidates not passing the course may be designated again as candidates by their National Federations only 12 months after the date of the previous course and only once.

National Federations can cancel the participation of their Candidate(s) without any consequences only 30 days before the IRCC official opening day. If the cancellation takes place within 30 days before the IRCC opening day, without acceptable reason, the Federation will not have right to designate Candidate(s) to any IRCC during the next calendar year.

Participants will follow an entry test to check their basic knowledge of the Official Volleyball Rules and of English.

The FIVB reserves its rights to reject applicants who are not found in compliance with the present Regulations.

b) Age limit:

The minimum age to participate in an International Refereeing Course is twenty five (25) and maximum is forty-one (41) at any time during the year of the course, proven by passport which contains at least the year of the person’s birth.
c) Medical:

Each participant must present the official Medical Certificate Form (M-4) enclosed to his Individual Registration Form (C-R3). Participants will follow, if necessary, an entry test to check their body mass index. Those participants who will not be found in compliance with the established standard shall not be allowed to take part in the course.

2.4 INSTRUCTORS

A Course Director will be nominated by the FIVB Refereeing Commission, together with a Rules lecturer nominated by the FIVB Rules of the Game Commission, at their annual meetings, from among their members.

2.5 DURATION

Not less than 10 days and to insure that each participant will have at least one match as first referee and one match as second referee during the practical sessions.

2.6 WORKING LANGUAGE

English is the compulsory working language of the course. Lectures, written and oral examinations as well as all communications will be in English. Therefore, the Course Director must check, before the beginning of each course, the candidates' basic knowledge of the Official Volleyball Rules and basic knowledge in English (written and oral). Candidates who do not fulfil this requirement cannot participate. Interpreters are not allowed.

This condition must be clearly stated in the official invitation letter sent to NFs by the organiser (Form C-R4) and must also appear in the Individual Registration Form.

2.7 TECHNICAL FACILITIES (provided by the organiser)

2.7.1 Lecture hall

- lecture hall, equipped with seats and writing surface for all participants
- flip chart with marking pens
- podium, table and chairs for the instructors
- LCD projector to attach to computer
- overhead projector with screen and pens
- video camera, photocopier
- video recorder and monitor are recommended
- Official Volleyball Rules, Refereeing Guidelines and Instructions, Casebook
- E-scoresheet system and line-up sheets
2.7.2 Sports facilities and equipment

- one indoor Volleyball court equipped according to FIVB standards. This must be clean, regularly marked, well maintained and illuminated, with chairs
- and benches for all participants beside the court
- scorers’ table, E-scoresheet system, line-up sheets and flags for line judges, FIVB homologated head-sets and bench tablets system
- regular net for matches
- podium, table and chairs for the instructors

2.7.3 Teams: players and personnel

- high level international competition (including continental senior, junior or youth Championships) or national senior competition or international junior competition for the practical part and examination of the candidates, in which each candidate must have the possibility of officiating one complete match at least as first referee, as second referee, as scorer, assistant scorer and line judge under the control and supervision of the director and instructors.
- assistant personnel for the matches: ball-retrievers (6), floor-moppers (8)

2.8 PROGRAMME

The course must cover the following theoretical and practical subjects:

2.8.1 General

- Organisation of the FIVB
- History of Volleyball in the world
- System of qualification of referees by the FIVB
- Fundamental skills of a referee
- Rights and duties of an international referee

2.8.2 Theory of officiating

- Current Official Volleyball Rules
- Administration of the matches (FIVB Regulations for official competitions)
- Guidelines and Casebook for practical applications of the Official Volleyball Rules
- Hand signals for officiating
- Psychological requirements of refereeing (for the function of VB referees)
- Scoring method
2.8.3 Practice of officiating

(1st, 2nd referee, scorer, assistant scorer and line judge)
- Confirmation and investigation of standard of judgement in play
- Practice of officiating (1st, 2nd referee, scorer, assistant scorer, line judges) for each participant
- Management of special cases, criticism of personal achievement during practice

2.9 EXAMINATIONS / Attestations and Certificates

2.9.1 Once the theoretical instruction has been completed, the participants will sit theoretical and practical examinations as follow:

- Scoring test (with scoring practice)
- Written examination (official test of the RC)
- Practical examination during Volleyball tournament (one complete match during the tournament)
- Oral examination (20 minutes for each participant)

2.9.2 Performances are evaluated according to the following scale:

Very Good - Good - Sufficient – Insufficient

Form C-R6 reflects the performance including two main scores: Theoretical and Practical. The Practical score is divided into two portions: Refereeing (80%) and Scoring (20%). The Refereeing score is apportioned as follows: 1st Referee (55%), 2nd Referee (35%) and Line Judge (10%). Scoring is apportioned as follows: Scoring (80%) and Assistant Scoring (20%). Passing performance requires at least a performance of “Good” on one of the criteria (Theoretical and Practical) and at least “Sufficient” on the other criterion.

Very Good = 85 and higher. Good = 75 to 84. Sufficient = 65-74. Insufficient = less than 65.

2.9.3 When the examinations are over, the Course Director will give an Attestation to every participant showing the result of the examinations.

2.9.4 The FIVB Sport Development Department will send a Certificate to candidates having passed the examination and having been approved by the Refereeing Commission.

2.10 FINANCIAL CONDITIONS

The organiser must cover:

- Administrative expenses
- Instructors' transportation (air return ticket, economy class)
- Instructors' per diem according to art. 1.6.11 of the FIVB Financial Regulations
Volleyball Referee Courses GENERAL REGULATIONS
