**PRIZE MONEY
AND BONUS POOL**

Eligible players missing the World Championship, majority of the Grand Slam and the Open events (in 2011) not reaching the minimum events participation requirement lose all Bonus Pool unless the athlete already entered in the provisional and confirmed list requests an exception proving with medical certificate his or her injury. In this latter case, the injured player can only miss two events (resulting in total 4 + 2 events due to the injury) during the entire season. For such a case of "force majeure" a medical certificate must be sent to the FIVB by the corresponding National Federation. A player through the National Federation must declare 15 days after the event concerned his/her injury to the FIVB and send to the FIVB the appropriate Medical Certificate. Upon declaration, an approximate time frame must be stipulated in order to determine the 2 events he/she will miss. Late requests which are sent to the FIVB after 15 days from the date of the injury will not be taken into consideration by the FIVB. In the situation where the playing partner is affected, the FIVB will make a decision on a case by case basis for his/her eligibility for Bonus Pool. Moreover, an athlete can be eligible for his/her Bonus Pool in case he/she enter in the event but she/he will not have enough entry points to enter in certain World Tour events due to the limitation of the maximum number of teams participation featured in the event's regulations, but the team was physically present at a Preliminary Enquiry and/or Technical Meeting of the respective tournament. Any eventual claims of payment(s) must be sent to the Beach Volleyball Department (beach@fivb.org) and the Finance Department (finance.beach@fivb.org).

Extra Bonus Pool

Following the Executive Committee meeting in Japan (22 November 2009), a further fidelity program, called Extra Bonus Pool, has been created for those players participating at the of World Tour events in 2010 and onwards as follows:

PARTICIPATION	BONUS POOL
Total Nr. of Events - (minus) 4 withdrawals - (minus) 2 withdrawals + medical certificates	100%
Total Nr. of Events - (minus) 4 withdrawals	110%
Total Nr. of Events - (minus) 2 withdrawals	120%

WITHDRAWAL AND SANCTIONS

3. Confirmed List (-14 days up to Friday preceding the event)

—Once the confirmed list of teams is issued by the FIVB (-14 days), the FIVB is then the only entity accountable for receiving through the WT/03 Form (duly completed) any withdrawal and/or disbanding of teams/athletes requests entered in the Main Draw and the Qualification Tournament and to apply any modifications to the Confirmed List.

—No official withdrawal will be accepted by the FIVB if not requested in time and in writing through the WT/03 form.

—In case of withdrawal of an athlete entered in a World Tour event, the National Federation/athletes concerned must inform the FIVB whether the athlete will be substituted or not through the WT/03 form.

—National Federations entering teams through the FIVB Beach Volleyball Web based application system are responsible for any eventual sanctions related to the non-fulfillment of the FIVB Regulations.

—No medical certificate or proof of “force majeure” is needed within this period of time (-14 days up to Friday preceding the event). Anyhow, a player cannot withdraw from a World Tour/World Championships event to participate in another tournament (i.e. at National or Continental level), during the period of the World Tour/World Championships concerned.

—In the qualification tournament, should the disbanding of a team happens after the announcement of the confirmed list, the new team has the right to remain in the 32 or 64 qualification tournament teams only if they have enough points, otherwise they will be reserve teams

—Reserve teams are featured onto the confirmed list and are constantly updated until the Preliminary Inquiry of the Country Quota Play-Off. Reserve Teams must register at the respective Preliminary Inquiry and be present at the commencement of the respective Qualification Tournament Technical Meeting to be eligible for possible inclusion in the Qualification Tournament, subject to late withdrawals or no shows by any teams (note if a country has participated in Country Quota Play-Offs, no team from the same Country from the Reserve List would be eligible to participate in the Qualification Tournament in case of any withdrawals or no shows).

Note:

All deadlines concerning withdrawals are calculated from the start of the Country Quota Tournament and backwards.

Last Minute Withdrawal (Friday preceding the Event up to - 1 minute before the Country Quota Play Off Technical Meeting)

Withdrawal and/or disbanding of teams/athletes need to follow the below criteria:

- a) Athletes who fail to attend the Preliminary Inquiry and the Technical Meeting of the Qualification Tournament will be exempted from any fine only if the concerned National Federation provides to the FIVB via fax and email a proof of “force majeure” or medical certificate (using the appropriate form) related to the withdrawal and/or disbanding of teams/athlete entered in the Qualification Tournament. Starting from 5 pm (Swiss time) on Friday preceding the event, the National Federation will need to communicate directly (by using the appropriate form and medical certificate) to the Technical Supervisor assigned to the concerned event copying the FIVB (at beach@fivb.org or fax +41 345 3548) until – 1 minute (e.g. 12.59pm) of the day of the Country Quota Play Off meeting to withdraw without a penalty. Withdrawals due to “force majeure” are subjected to FIVB approval, a written notification is needed to justify such a case. Should a Qualification player withdraw after the above deadline without providing in a medical certificate or a satisfactory proof of “force majeure” a fine of USD 500 will be applied by the FIVB. All players withdrawing due to a medical reason must send to the FIVB the concerned certificate (of the time of the injury) 15 days after the event concerned in order to be eligible for the Bonus Pool. Once a player withdraw from a World Tour/World Championships, he/she cannot play in a different tournament during the World Tour/World Championships event's concerned. If a player is found participating in a different tournament, a fine will be issued by the FIVB. Reiterated case by the same athlete may lead to a suspension from major FIVB events. The FIVB Technical Supervisor is requested to notify immediately the situation to the FIVB Beach Volleyball Department. The concerned player must pay the fine to the FIVB either before arriving at his/her next event, or on-site to the FIVB Technical Supervisor of his/her next event, before the Technical Meeting concerned (i.e. Qualification Tournament or Main Draw depending on which event player is participating first). The player concerned will only be accepted by the FIVB to play in his/her next event if the amount due is received and officially acknowledged by the FIVB (in advance) or the FIVB Technical Supervisor (on-site) before the start of the event.
