

Relevant provisions in the FIVB Medical & Anti-Doping Regulations on Whereabouts Failure:

2.4 Whereabouts Failures

Any combination of three missed tests and/or filing failures, as defined in the International Standard for Testing and Investigations, within a twelve-month period by an *Athlete* in a *Registered Testing Pool*.

5.6 *Athlete Whereabouts Information*

5.6.1 FIVB shall identify a *Registered Testing Pool* of those *Athletes* who are required to comply with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations, and shall make available through ADAMS, a list which identifies those *Athletes* included in its *Registered Testing Pool* either by name or by clearly defined, specific criteria. FIVB shall coordinate with *National Anti-Doping Organizations* the identification of such *Athletes* and the collection of their whereabouts information. FIVB shall review and update as necessary its criteria for including *Athletes* in its *Registered Testing Pool* and shall revise the membership of its *Registered Testing Pool* from time to time as appropriate in accordance with the set criteria. *Athletes* shall be notified before they are included in a *Registered Testing Pool* and when they are removed from that pool. Each *Athlete* in the *Registered Testing Pool* shall do the following, in each case in accordance with Annex I to the International Standard for Testing and Investigations: (a) advise the FIVB of his/her whereabouts on a quarterly basis; (b) update that information as necessary so that it remains accurate and complete at all times; and (c) make him/herself available for *Testing* at such whereabouts.

5.6.1.1 FIVB may include in its *Testing Pool(s)* any *Athlete* not included in the *Registered Testing Pool* and require such *Athlete* to provide and update, either directly or through his club or *National Federation*, specific whereabouts information requested by the FIVB. Failure to comply with FIVB's requirements, in addition to possible *Consequences* under these Anti-Doping Rules, may lead to (a) a sanction for a minor offence in accordance with the FIVB Disciplinary Regulations; (b) the *Athlete's* inclusion in the *Registered Testing Pool*.

5.6.2 For purposes of Article 2.4, an *Athlete's* failure to comply with the requirements of the International Standard for Testing and Investigations shall be deemed a filing failure or a missed test (as defined in the International Standard for Testing and Investigations) where the conditions set forth in the International

Standard for Testing and Investigations for declaring a filing failure or missed test are met.

5.6.3 An *Athlete* in the FIVB's *Registered Testing Pool* shall continue to be subject to the obligation to comply with the whereabouts requirements of Annex I to the International Standard for Testing and Investigations unless and until (a) the *Athlete* gives written notice to FIVB that he/she has retired or (b) FIVB has informed him or her that he/she no longer satisfies the criteria for inclusion in the FIVB's *Registered Testing Pool*.

5.6.4 Whereabouts information relating to an *Athlete* shall be shared (through *ADAMS*) with *WADA* and other *Anti-Doping Organizations* having authority to test that *Athlete*, shall be maintained in strict confidence at all times, shall be used exclusively for the purposes set out in Article 5.6 of the *Code*, and shall be destroyed in accordance with the International Standard for the Protection of Privacy and Personal Information once it is no longer relevant for these purposes.
