In 2010, the FIVB shall pay the Bonus Pool in their full amounts to the eligible athletes who will play in all 2010 tournaments minus 4 events of the 2010 SWATCH FIVB events as follows:

- Mandatory registration to the World Championship (in the year of the World Championship).
- Registration to the majority of the Grand Slam events.
- All remaining events (Open and/or Grand Slam) to reach the minimum events participation requirements.

Eligible players missing the World Championship (in the year of the World Championships), majority of the Grand Slam and the Open events (in 2010) not reaching the minimum events participation requirement lose all Bonus Pool unless the athlete already entered in the provisional and confirmed list requests an exception proving with medical certificate his or her injury. In this latter case, the injured player can only miss two events (resulting in total 4 + 2 events due to the injury) during the entire season. For such a case of "force majeure" a medical certificate must be sent to the FIVB by the corresponding National Federation. A player through the National Federation must declare 15 days after the event concerned his/her injury to the FIVB and send to the FIVB the appropriate Medical Certificate. Upon declaration, an approximate time frame must be stipulated in order to determine the 2 events he/she will miss. Late requests which are sent to the FIVB after 15 days from the date of the injury will not be taken into consideration by the FIVB. Starting from 2010, the FIVB will not take into consideration the Medical Certificate received after 15 days from the tournament concerned.

Following the Executive Committee meeting in Japan (22 November 2009), a further fidelity program, called Extra Bonus Pool, has been created for those players participating at the of World Tour events in 2010 as follows:
