

AVC Qualification System to the 2019 FIVB Beach Volleyball World Championships

1. Max Total Quota from AVC Qualification Pathway

- Men: 4 teams (8 athletes)
- Women: 4 teams (8 athletes)

2. Type of allocation of Quota places

The quota place is allocated to the National Federation (NF).

Each NF must choose its athletes respecting the criteria set forth in 3. Athletes Eligibility.

3. Athlete Eligibility

All athletes must comply with the provisions established in the 2019 FIVB Beach Volleyball World Championships Qualification System circulated on 23rd July 2018.

Additional AVC Eligibility Criteria:

To be eligible to represent a NF that has been allocated a quota place through the AVC qualification pathway to the 2019 FIVB Beach Volleyball World Championships, all athletes must have participated as an individual minimum in one (1) AVC beach tour event or Asian Beach Volleyball Championships scheduled between 1st September 2018 and 29th April 2019.

4. Qualification Pathway

4.1 AVC Qualification period will be from 1st September 2018 to 29th April 2019.

All AVC homologated tournaments will be included in the AVC Qualification process.

4.2 AVC Beach Tour National Federation Ranking established between 1st September 2018 and 29th April 2019 will be used to qualify the quota places for the 2019 FIVB Beach Volleyball World Championships.

4.3 The four (4) highest ranks per gender as per the above Ranking will qualify to the 2019 FIVB Beach Volleyball World Championships, respecting the maximum number of quota places per NF per gender and the provisions established in the 2019 FIVB Beach Volleyball World Championships Qualification System circulated on 23rd July 2018.

4.4 The calculation of AVC Beach Tour National Federation Ranking are as follows:

- AVC ranking points of the best two (2) teams from each NF per gender from each AVC Beach Tour and Asian Beach Volleyball Championships will be counted towards the calculation of the AVC Beach Tour National Federation Ranking.

- The ranking points earned with the best result will be labelled as NF 1 finish and second-best result will be labelled as NF 2 finish.
- The sum of all NF 1 finishes in all events the NF concerned participated will be the final ranking points of NF 1, regardless of the different players' composition of the team in each tournament.
- The sum of all NF 2 finishes in all events the NF concerned participated will be the final ranking points of NF 2, regardless of the different players' composition of the team in each tournament.
- There will be maximum 2 ranks from the same NF per gender in the AVC Beach Tour National Federation Ranking. Accordingly, it is possible to have 2 ranks from the same NF per gender among the four (4) highest ranks in the AVC Qualification pathway.
